### **Why Join a Dive Club**

There are a number of reasons for joining a SCUBA club; here are a few to consider:

- Organized dive trips throughout Southern Ontario during the summer
- Organized dive trips to the Caribbean in the winter
- Training courses such as First Aid, NITROX and O<sub>2</sub> are available.
- Weekly use of a pool (family nights offered throughout the year)
- Increase your number of dive buddies
- Advantageous rates for all Training courses.
- Social events

**Scarborough Underwater Club Inc. (SUCI) is a registered non-profit organization dedicated to promoting safety, adventure, fun and education in the sport of SCUBA diving.**

**Our 50th Year!**

**Professional Scuba Training  
Organized Dive Charters  
Social Events**

### Realize Your Dream with SUCI

If you have ever imagined exploring a historic shipwreck in the Great Lakes, or have ever wished to discover the magical world beneath the turquoise waters of tropical seas...

#### What SUCI Offers

Open Water Scuba Diver Certification courses

Advanced Open Water and Rescue Diver courses are run several times during the year.

Divemaster courses for those interested in furthering their dive knowledge and managing group dives.

Master SCUBA Diver specialty courses:

- Wreck Diving • Drift Diving • Night Diving
- Ice Diving • Dry Suit Diver
- Underwater Photography

### Types of Diving We Do

Ontario is one of the best (if not *the* best) areas in North America for fresh water shipwreck diving. Naturally we do a great deal of it:

- Chartered Boat Dives
- Day and Weekend Trips
- River and Drift Diving

Our trips are geared for Beginner Divers and Advanced Divers - always something for everyone!

Dive trips are usually planned every weekend in the summer months. In the winter, we arrange club trips to sunnier destinations such as Roatan, Bonaire, Belize and Cozumel.

All club dives are led by a Certified Divemaster.

Visit our web site:  
[www.suci.ca](http://www.suci.ca)

### Events

Divers *do* have to get out of the water and breathe normal air like regular people (not too often though!). SUCI members meet regularly to swap stories, share experiences, and compare favourite dive sites.

General business meetings are held at the Centennial Recreation Centre at 7:30 pm, on the second Monday of every (non-summer) month. Frequently there are Guest Speaker presentations. Prospective members are welcome to join us.

Our annual awards banquet is held in late fall, where members are recognized for successes achieved throughout the year.
