

A Peek at Our October 2nd *Discover Scuba Diving* Event!

On Saturday, October 2nd, 2010 we had a successful *Discover Scuba* diving event in the pool at Centennial Arena in Scarborough. It is always delightful to see a participant transform from anticipation (and a little anxiety!) to someone energized with excitement about scuba diving! Many people progressed to the point of relaxing in the deep end to practice a little underwater golf, toss a ball, or just cruise around in scuba gear.

Would you like to give SCUBA DIVING a try? Call Dieter at (416-557-4562) or Jack (416-587-6534) and we will make arrangements to have an Instructor or Divemaster meet you at the pool on a Monday night to gently guide you through the steps to scuba diving - for free!
